UniMate Sample Campus Information

Purpose

This is a sample PDF for testing UniMate's PDF text-reading feature. The information below is fictional and is provided only for testing.

Library Hours

The sample college library is open Monday to Friday from 9:00 AM to 5:00 PM. On Saturdays, it is open from 10:00 AM to 1:00 PM. The library is closed on Sundays.

Computer Lab

The sample computer lab is located in Block B, Room 204. Students can use the lab from 10:00 AM to 4:00 PM on working days, subject to faculty availability.

Student Help Desk

The sample student help desk is located near the main office. It can help with general campus queries, timetable questions, and directions. For this test document, the help desk hours are 10:00 AM to 3:00 PM, Monday to Friday.

Sample Event

The sample campus technology event is called Tech Discovery Day. It is described as a student activity featuring demonstrations and project displays. This is not a real college announcement.
